“OUR PRIDE IS GROWING”

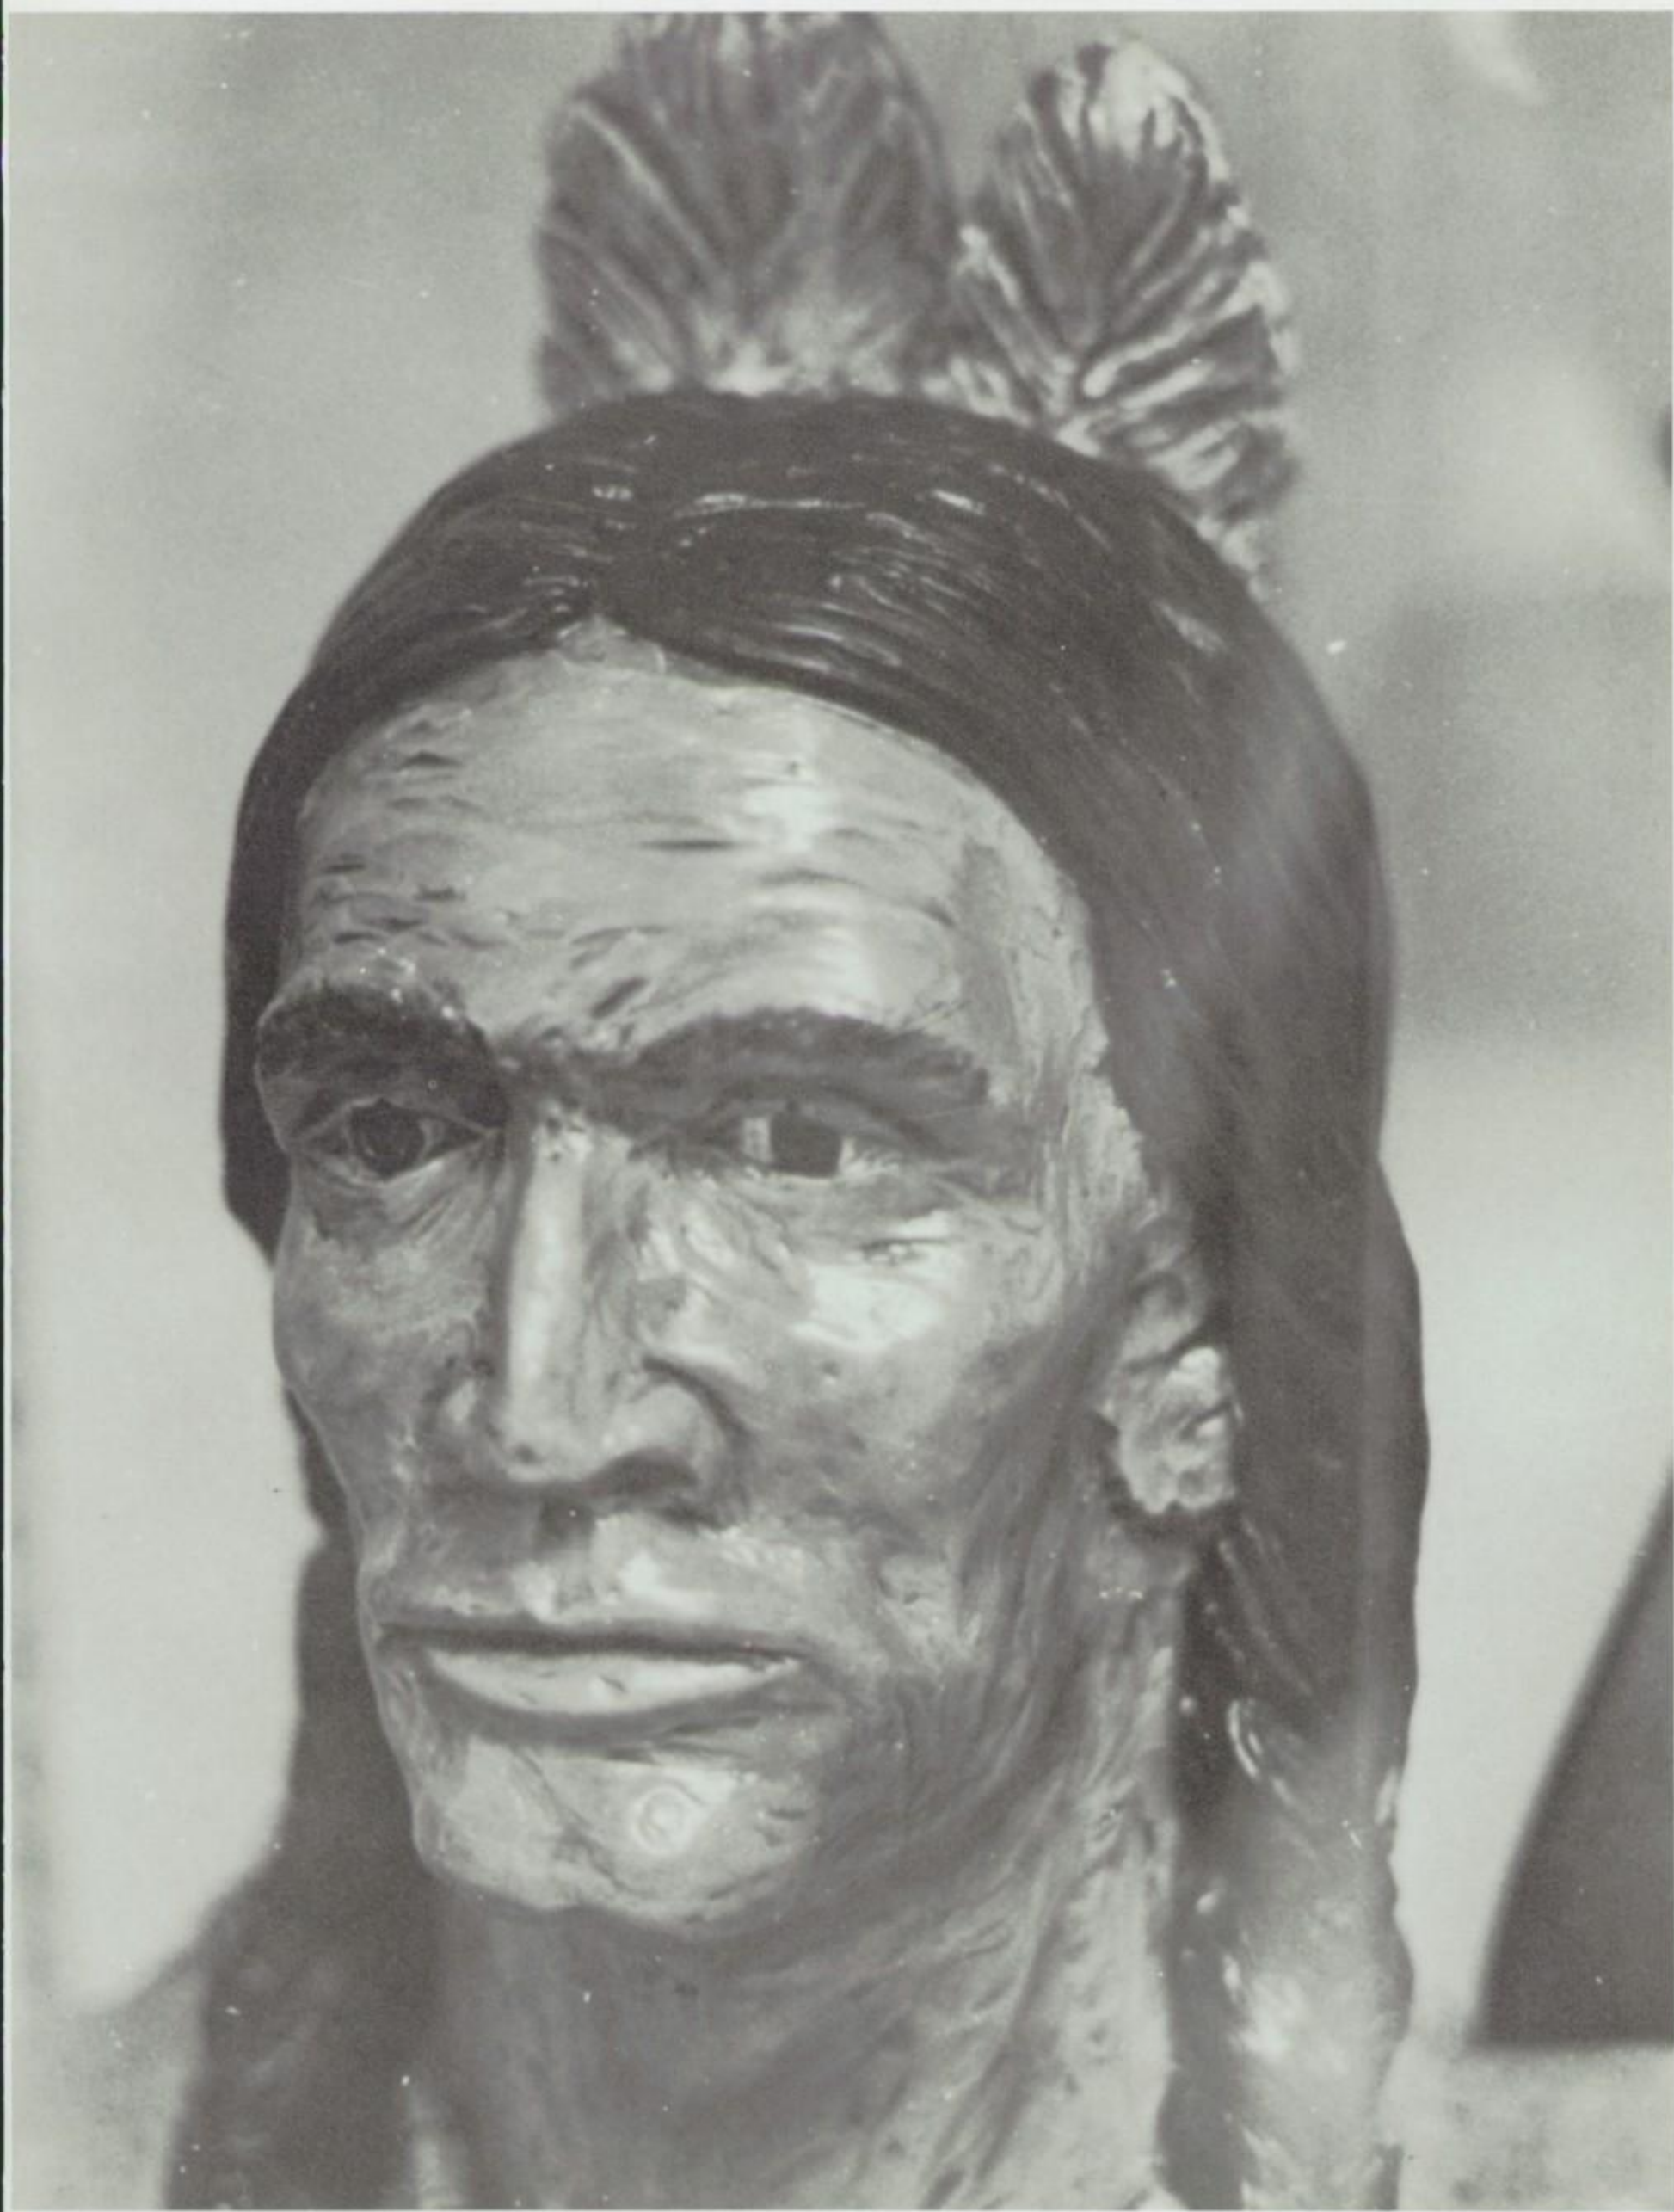

“We cannot buy pride; we cannot legislate it, we cannot force it; and yet, we cannot do without it.”—General Greighton W. Adams, U.S. Army

Our pride grows as we return to others those talents and capabilities that have been developed in us by dedicated people who have given to us freely of their time and talents.

Our pride grows as we look back to past achievements and anticipate the challenges that will test all that we are and will become.

Our pride will continue to grow as we maintain high idealism which makes possible the increase of righteousness, justice, patriotism and good will.

Jr. Miss is an experience of a life-time. It's a time for growing up, "finding" oneself, making new friends and becoming closer to old ones. It's a time of self-doubt, yet somehow one ends up finding a new self-confidence.

Jr. Miss is a scholastic program for any senior girl. The areas of competition are: Creative and Performing Arts, Poise and Appearance, Youth Fitness, Scholastic Achievement, and Interview.

Participating in Jr. Miss and becoming Gas City's 1983 Jr. Miss has been a very rewarding experience that I wouldn't trade for anything. I recommend that every senior girl interested, participate because you'll never regret it. Debbie Qualls

Jr. Miss Award Winners (L to R): Staci Smith—Creative and Performing Arts and 2nd runner up, Jennifer DeMarcus—Spirit, Debbie Qualls—Scholastic Award and Winner, Tonya Appleman—Poise and Appearance and 1st runner up, Kris Harter—Youth Fitness

OUR PRIDE IS GROWING IN . . .

Our pride is growing in sports. We may not win every game, match or meet, but we still have pride in them and back our teams all the way. Our football team has greatly improved this year and we are all especially proud of them.

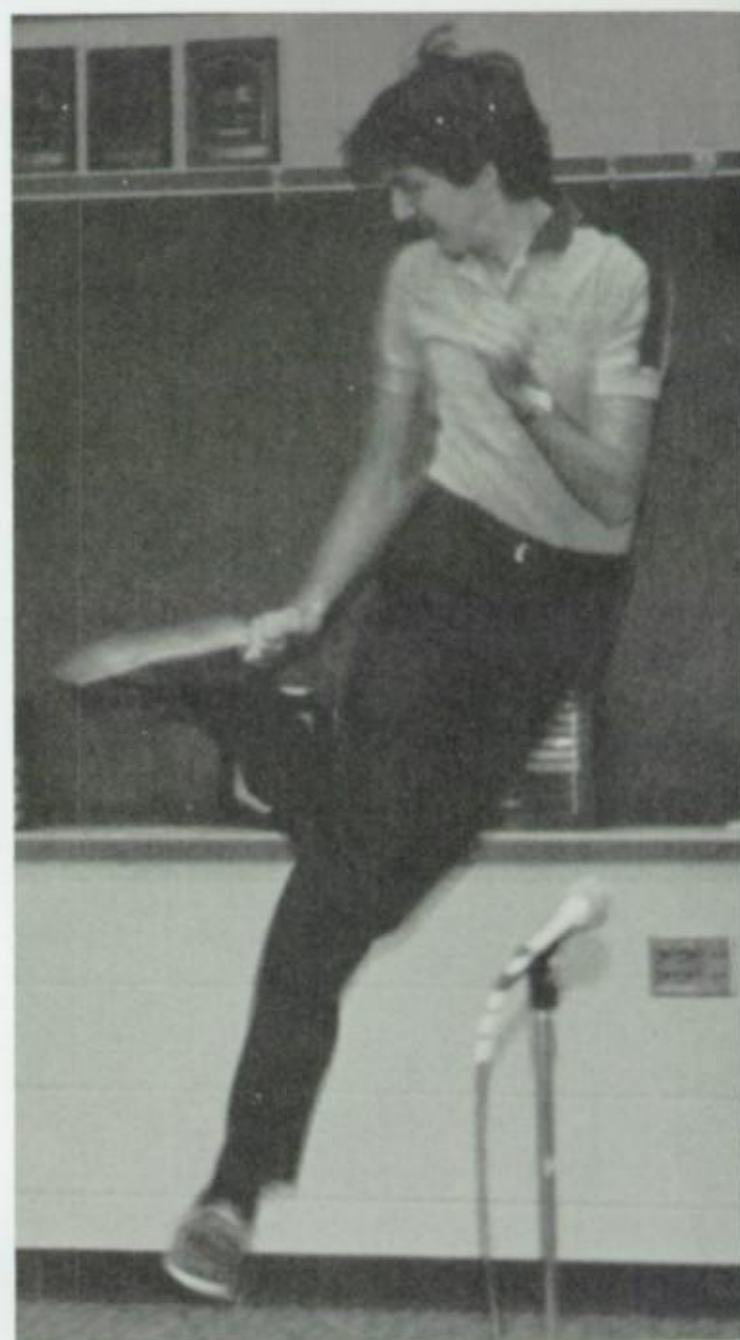

We expect our other sports events such as basketball and wrestling, to name a few, to improve greatly with greater experience. Win or lose we show pride through our sports.

To pay tribute to our pride in sports the Adult Booster Club has provided our school with a very distinguished sports trophy case. We would like to give our thanks and appreciation to the Adult Booster Club.

It took an overtime for the Blackford Bruins to beat the Indians by a score of 17-14 in the opening game of the season.

"Maligned Ole Miss football program reborn," wrote the Chronicle Tribune.

After going four years with only one on the field victory, the Indians were on their way to a winning season. "I told the kids we could win," said Coach Charlie Fisher, and win they did. They defeated Tipton, Madison-Grant, Northwestern, Wabash, and Eastbrook. The team held the State Champion Oak Hill Golden Eagles scoreless in the Jamboree.

The Indians had a strong running game and good line play.

Defense was excellent.

Spirit and pride were reborn this season. The whole town was talking. Signs were posted throughout Gas City and Marion congratulating the team. Lineman, Kurt Maloy said, "There is a whole new atmosphere around the team."

Eldon Leeth, former Blackford Coach, now a radio commentator for WWHC said, "It's a been a long time since Mississinewa fans have seen this kind of football."

The Marion Chronicle-Tribune sportswriters must have agreed when they elected Coach Fisher "Coach of the Year". Fisher was aptly assisted by coaches Bill Atkinson and Gary Couch.

Yes, it's Mara.

The 1982 Girls Golf Team was very competitive against some of the strongest teams in the state. Junior, Mara Carey, was selected most valuable player for the third consecutive year. Mara set school records in the following categories: Best 9-hole score, Best 18-hole score, most birdies in 18 holes, and lowest season average. Christy Howe played number two for the Indians and had a low round of 44. Most improved player award went to freshman, Staci Wright. Without any seniors on the team, Mississinewa can look for greater things from the Girls Golf Team.

Seniors Lisa Scott, Peggy Lyons, and Jodi Thompson have provided leadership for the 1982-83 Indians. Lisa has been the leading scorer at 17 points per game. Lynn Jones and Shelli Bothwell have been the second and third scorers. Lisa also has been the leading rebounder

with Lynn and Shelli following her. Peggy provided needed ballhandling while Jodi, Christy Howe, and Debbie Smith contributed many good minutes of playing time. At the time of this writing, the Indians' record was 6-7.

The wrestling Indians are on the upswing. There was great success this year and the future looks great!

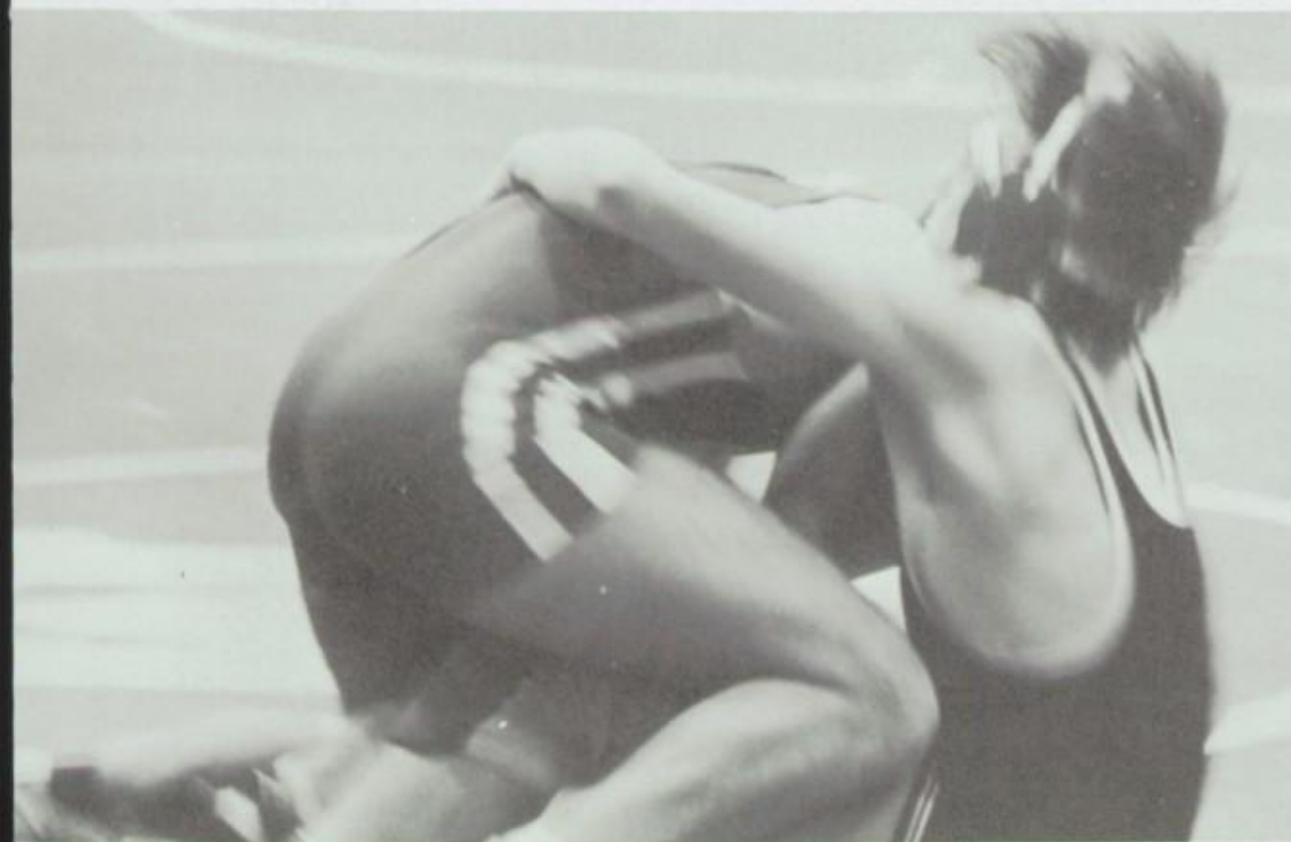

The coaching staff accredit this success to many young athletes dedicated to wrestling. The coach's are looking into the future with these athletes and see an unlimited win-loss record. We just can't wait!

This year's success came from aggressiveness, technique, attitude, and pride. These four characteristics are the Indian stronghold in all sports.

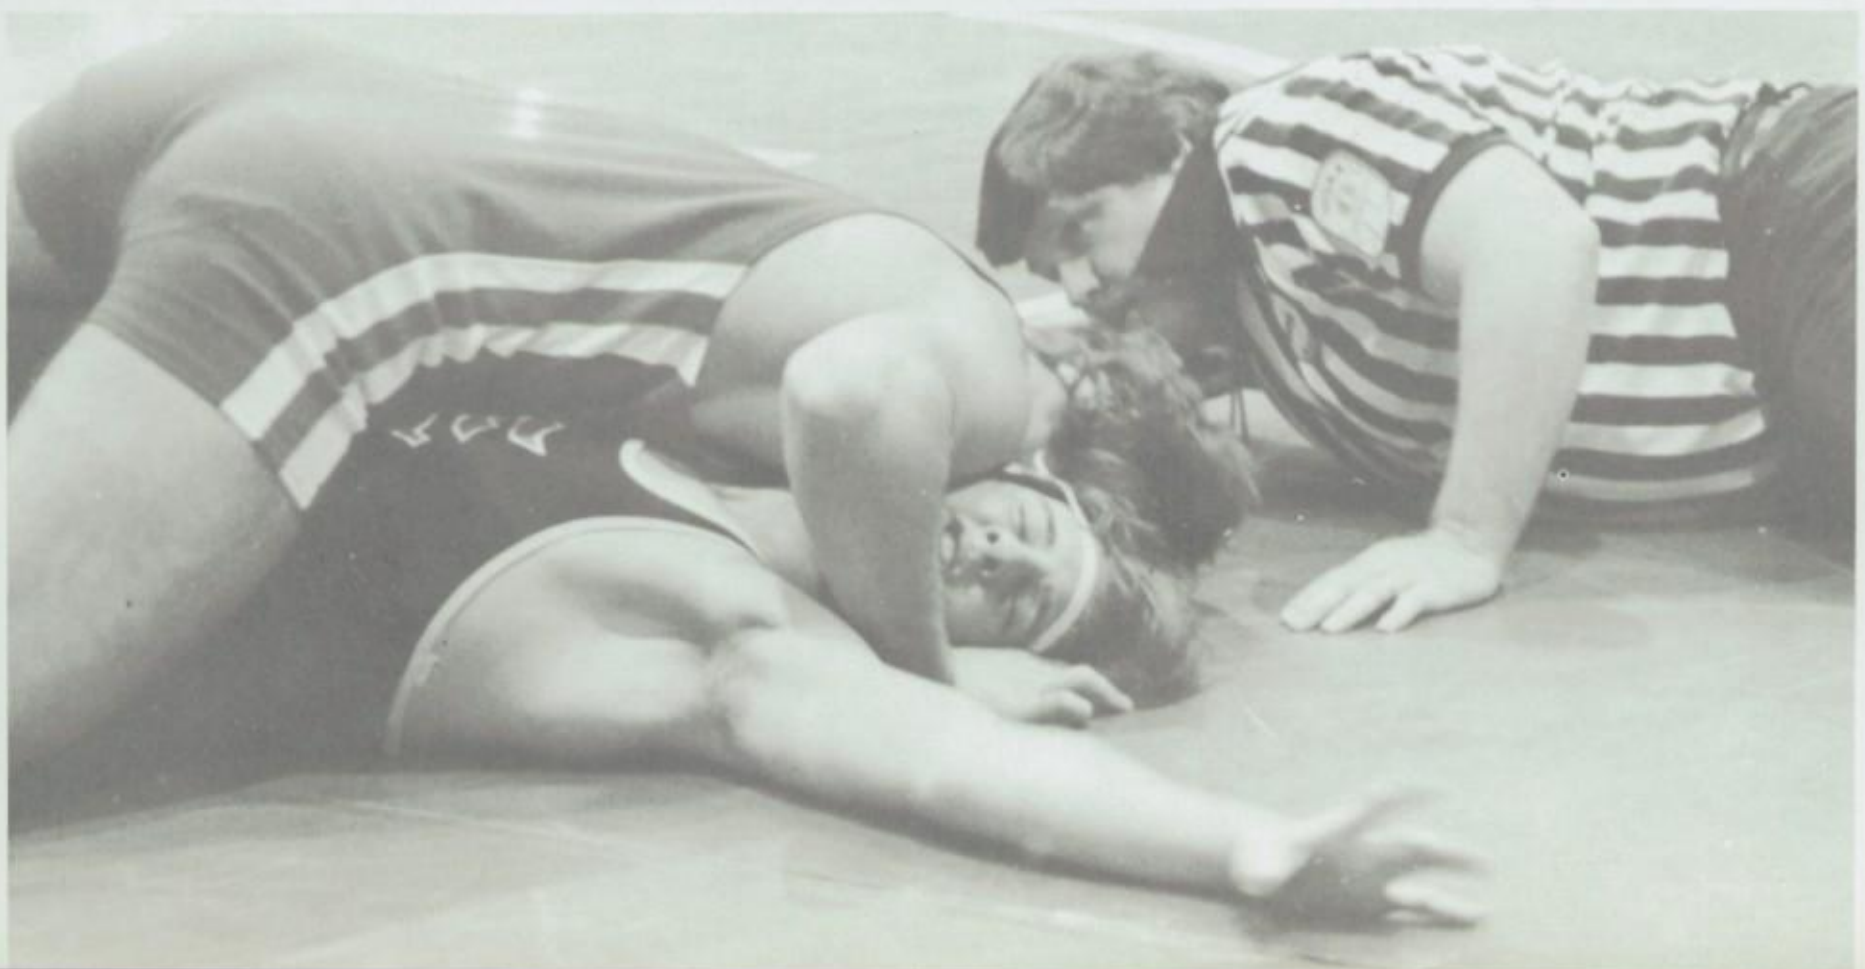

Mr. Reed, Mr. Childers and Mr. Martin thank the "ironmen" for returning wrestling to our school.

Team Motto: "Pain, Power, Pride"

Wrestling is a sport that requires a great deal of strength and technique. It is a sport that has been around for centuries and is still popular today. The sport is played on a mat and involves two wrestlers trying to throw each other or pin each other. There are many different styles of wrestling, but all require a high level of skill and athleticism. Wrestling is a great sport for young people to participate in, as it helps to build strength and discipline. It is also a great way to learn about the history and culture of the sport.

We have pride in our organizations. Every club is gaining more members every year. Each club is also very active in school and community functions.

DECA organized food drives for the needy on Thanksgiving and Christmas holidays. Tri-Hi-Y, Student Council, along with the Cheerleaders, have put on several fun dances. Honor Society has given a scholarship to one lucky student. These are just a few of the accomplishments our organizations take pride in.

The Spanish Club this year has been involved in several activities. We entered a float in the annual Homecoming Parade which took a lot of work and preparation. We also held a combination initiation/Christmas party early in December, that included caroling, games and refreshments. A combination French-Spanish cultural extravaganza was held in March and many cultural activities were exchanged between the two clubs. Also excellent foreign foods were prepared. As a final activity, the club traveled by bus to Indianapolis to dine in a Spanish restaurant.

French Club is busy throughout the year with cultural experiences and social gatherings. This year our "pride" really grew when we won first prize for the Homecoming parade float entry. In November, we had our annual French bread and cheese party where we indulged in the new and different tastes of French cheeses and famous French bread. December found us caroling to friends and neighbors, but caroling in the French language. January and February brought us a ski excursion as well as a fondue party with cheese and chocolate. The traditional French-Spanish Club party came in March. At this event the two clubs get together to share their cultures, their foods, and their languages. The year ended with a trip to La Tour, the elegant French restaurant in Indianapolis. It is here

that French cuisine was enjoyed to its fullest, from French onion soup to the chocolate mousse! French Club is a cultural experience. Our pride is showing!

Planning activities for Homecoming week are major projects for Tri-Hi-Y. The club is responsible for the Homecoming Parade and Dance. This year the club also purchased materials to build the Teepee that the Indian Mascot uses during football season. The club also purchased the head dress for the mascot. During the school year, the club sponsors a St. Patrick's Day Dance and is involved with charities both at school and in the community. The club has approximately 75 members from all four classes.

The 1982-83 Hi-Y provided some valuable services to the school and community this year. This year's homecoming was one of the best in several years, and the bonfire, built by the Hi-Y through the rain and mud, was a major success. The Hi-Y also provided three bushels of fruit to the local nursing home at Christmas. Several members of the Hi-Y also helped with a canning drive for needy families in the community. The Hi-Y also co-sponsored the St. Patrick's Day Dance this spring with the Tri-Hi-Y.

What some people will do to get in the yearbook!

Our Pride is Growing—because our small group of students was able to give scholarships to two departing seniors. The thirty-four members have continued to give service and leadership to the school and community. Most of us are following the precept of scholarship as we plan to continue our learning—elsewhere.

The 1982-83 Student Council members are very proud to be representatives for the Mississinewa High School student

body. The Student Council is responsible for sponsoring many programs throughout the year. A few of these are; Parent/Student Exchange, Student Exchange with other schools, various educational and entertaining convocations and assemblies, and also with assisting the Administration with Freshman orientation and a School/Community Drug Workshop.

The Student Council is involved with many activities to help promote spirit, pride, and student leadership. Some of these are: selling spirit buttons, helping other clubs with Homecoming week activities (class competition), attending the Indiana Student Council State Convention, attending leadership workshops, and providing a voice for the students to the Administration.

The 1982-83 Smoke Signal Staff began the year with 6 students, 5 of whom had no journalistic experience. "Learning by doing" was the motto for the year as students painstakingly embraced the procedures necessary to create a school newspaper.

With the help of a few dedicated students who regularly devoted their own time to the gathering of news, the Smoke Signal staff rapidly gained valuable knowledge and experience. We believe the school paper has become more of a reflection of the student body during the 1982-83 year.

The Mississinewa Office Education Association would like to invite you to "Smurf Your Way Into OEA" and take an adventurous trip through our successful year.

Our 1982-83 enthusiastic chapter started out by electing our officers. They started our year off with Hot Dog and Snow Cone stands during Jubilee and Fourth

of July Days to raise money for their officer uniforms. We also held a splashing car wash to help raise the money.

Our membership was not as large as last years, but our 120 members are still the biggest chapter in our district. Some of the activities our members participated in include: Pizza parties,

lock-in, visits to the nursing home and Vernon Manor Children's Home, and most important, district, state, and national contests.

The 1983 OEA chapter would like to wish next year's COE/OEA Chapter the best of luck.

Marketing and Distributive Education is growing!! In 1974 the Mississinewa Marketing and Distributive Education (MDE) Program was first offered to 28 seniors. Since that year 202 seniors have taken the prerequisite course, Marketing.

The MDE program is a two-year experience of learning and earning. A junior class of marketing where the fundamentals of business, marketing, merchandising, salesmanship, human relations, and management are stressed serves as a prerequisite to the senior work related class.

The Senior class is devoted to helping the students cope in the working world, learn more about marketing, and become responsible citizens.

DECA—Another integral part of the MDE program has been DECA competition. During the past nine years over 400 students have participated in DECA activities and competition.

All district level competition has been held in Ft. Wayne where Mississinewa has won the Sweepstakes Award for accumulating the most total points in competition in 1983, 1981, 1978, and 1977. Over 275 awards have been won at district competition in the past nine years.

At the state level of competition 88 awards have been won by 67 members. Mississinewa has also place in the top six schools out of over 100 schools in competition five times. 1st place—1977, 1978, 2nd place—1976, 3rd place—1980, 6th place—1979.

In National DECA competition we have won six awards and two national winners. Kevin Roseberry won 1st place in the nation in Petroleum Series in 1976, and Steve Dalton won 2nd place in the nation in Advertising Services in 1981.

Health Occupations Education (HOE) is a cooperative program designed to give seniors on the job experience in various fields of interest. The HOE class is located in the new Tucker Area Career Center of Marion and is composed of students from the six Grant County area high schools. The HOE class provides students with technical training in such subjects as CPR, medical terminology, physiology, anatomy, and other health related studies.

Some activities involving HOE students include a candy sale, several field trips including a tour of the Eli Lilly plant in Indianapolis, a blood pressure clinic, and an employee-employer banquet, and the HOE competitive events. HOE provides students with an interest in health related occupations, an excellent opportunity to experience their career goals.

**OUR PRIDE IS
GROWING IN . . .**

Our pride is growing in the performing arts. We are very proud of the entertainment our performing groups have provided.

Our Drama Club and Thespians exemplify the great talent present in our student body. They have several productions throughout the year as well as competing at the state level.

Our band definitely showed the spirit and pride that it takes to win. They won a first place at district and advanced to the state competition.

The choral department sang their way into the hearts of many people, in addition to performing throughout the community, a musical production was an exciting part of their year. Many of the members received awards at both district and state levels.

Haute. Other Fall performances included all home football games, a Taylor University half-time, and field competitions at both Kokomo and Bluffton (where the Band finished second in Class C).

Major Concert Band performances include the band.

January Pops Concert and Dinner, and our Annual Spring Concert in May. Other events include the Pep Band performing at Basketball Games, Solo and Ensemble Contest, Concert Band Contest at Huntington, the student leadership conference, and Graduation.

Jazz Ensemble

The Mississinewa Jazz Ensemble, under the direction of Michael Wray, completed another busy and successful year. The group's performance schedule included the Junior Miss Pageant, several basketball games, The March of Dimes Telethon, an Evening of Jazz, several area schools and civic organizations, I.S.S.M.A. Jazz ensemble competitions. The Jazz Ensemble closed their year with a highly successful program entitled New Horizons '83.

This school year marks the fourth season for the Vanguard Flag Corps. Beginning humbly as an honor guard at the home basketball games, the Corps has progressed to performing with the Marching Band in their Fall competition show. Corps members have advanced from doing a simple manual of arms to complex flag and dance maneuvers and have become an important asset to the Mississinewa Vanguard Marching Band.

This school year has been basically a rebuilding year for the Mississinewa Pom Corps. We have seven freshmen and two upper class (only one with prior experience) participating in the group.

Even with very limited experience—the girls—captained by Kelly Beal won several awards while participating at USCA camp at Ball State during the summer.

They appear with the high school band in all marching routines and present two shows during basketball season.

The girls are to be commended for their self-discipline to many hours of practice and their determination to improve in each performance.

We are all looking forward to a very competitive summer program. We encourage all the young ladies of Mississinewa school system to get involved with our rewarding program.

 Not Shown: Dia Huffaker, Angie Gorden, Cena Cooper

Our girls choir has been active this year in our school concerts. They also competed in Girls Choir Contest. Many members participated in solo and ensemble contests, also. One of the goals of Girls Choir was to work hard on a good musical blend and sound.

Tonettes

Row 1: Tami Schuster, Lori Gause, Michele Carrese, Angie Duke, Tina Carroll, Emilie Deramore, Staci Williams Row 2: Colleen Thomas, Staci Wright, Beth Culbertson, Ronda Myers, Robin Martin, Gina Flynn, Barb Soards, Kelly Ferguson, Mrs. Hanrahan Row 3: Suzi Peterson, Robin Cornett, Annette Chandler Not Shown: Shelly Ferguson, Mary Shrout

Tonettes was made up of a lively bunch of girls who have represented our school well. They have sung and danced for many local organizations, our school concerts, the Mall Anniversary, the veterans administration, and they participated in show choir competitions as well as solo and ensemble contests.

Swing Choir

Swing Choir was made up mostly of seniors with a few underclassmen this year. They have enjoyed working on a variety of musical styles ranging from pop to soft ballads to the Fifties. They have performed for the Mall Anniversary, the veterans administration, many local organizations, our own school concerts, and they entered show choir competitions as well as solo and ensemble contests.

The 1982-1983 year has been a year of growth for Drama Club. Members and officers have encouraged new members to become active through performance and participation. The fall production attempted to generate enthusiasm among new members by offering on-stage performance to any member who wanted to perform in "Feiffer's People". The production offered the challenge of fast paced comedy and timed entrances. The March production terminated several months of anticipation as the group performed the timeless comedy "You Can't Take it With You". The highlight of the year with respect to education was when students competed and participated in the state conference in April.

“Meche”

As school once again commenced in August, a new face could be seen quietly walking in between the groups of students discussing their summer adventures. Her name was Mercedes García de la Cardena, more commonly known as Meche, from Tepic, Mexico.

Meche's life in Mexico could easily be compared to the typical U.S. teenager. She has two brothers, 11 and 16, making her the oldest in her family. She graduated from I.T.E.S.M. High School in Monterrey, Mexico, before travelling to Indiana in August. Greeted by her host family, the Beryl Atkinson's, Meche was in for an exciting year.

Although she was in a different culture with a different language, she made herself right at home. She joined J.A., and Campus Life, and enjoyed the frequent outings to the movies.

Meche will be leaving sometime in the first of July. She plans on attending I.T.E.S.M. College and majoring in Architecture. We wish her the best of luck!

Meche, Our Friend from Mexico

It's nice to sit next to someone who knows what she is doing in Spanish.

Girls' and Boys' State

Debbie Qualls, Pam Myers, Beth Storey, Margaret Miller

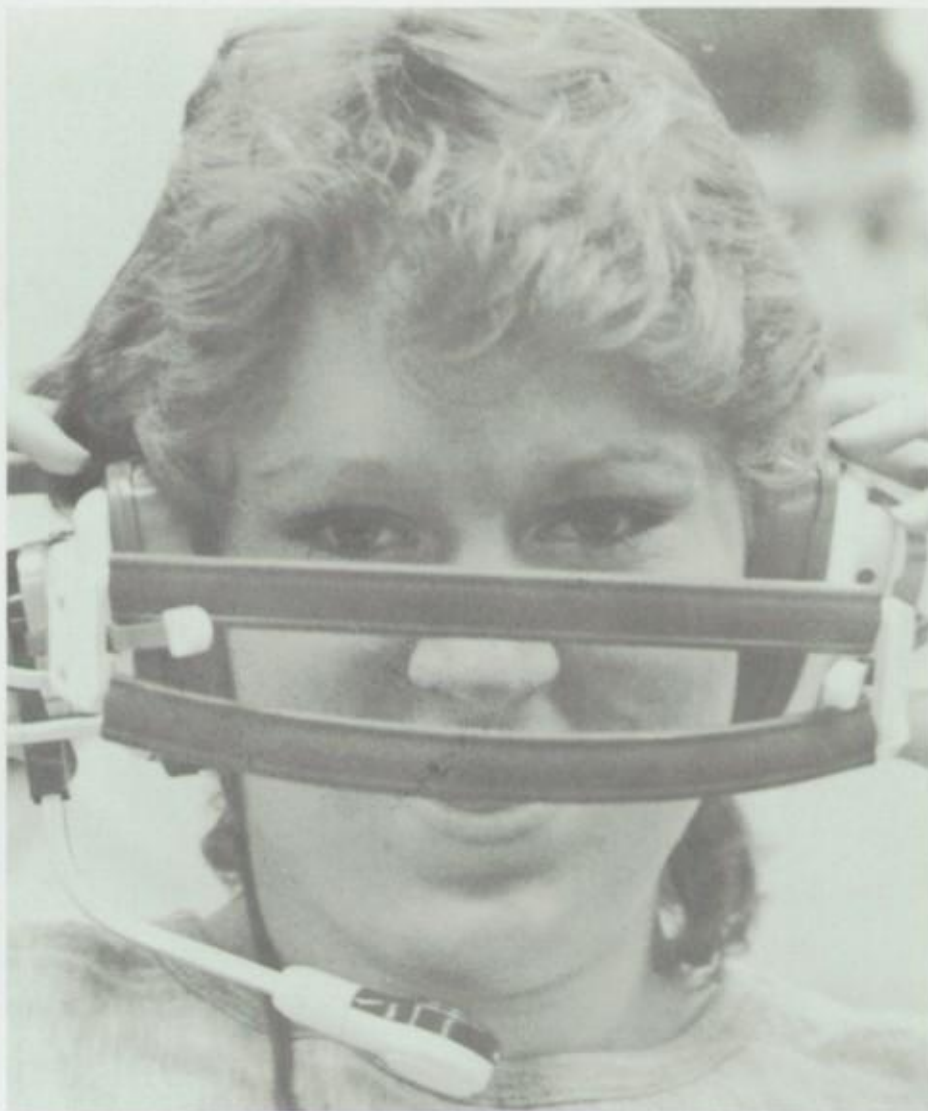

Jon Stafford, Doug Ballenger, Martin Hildebrants, Kent Ezra

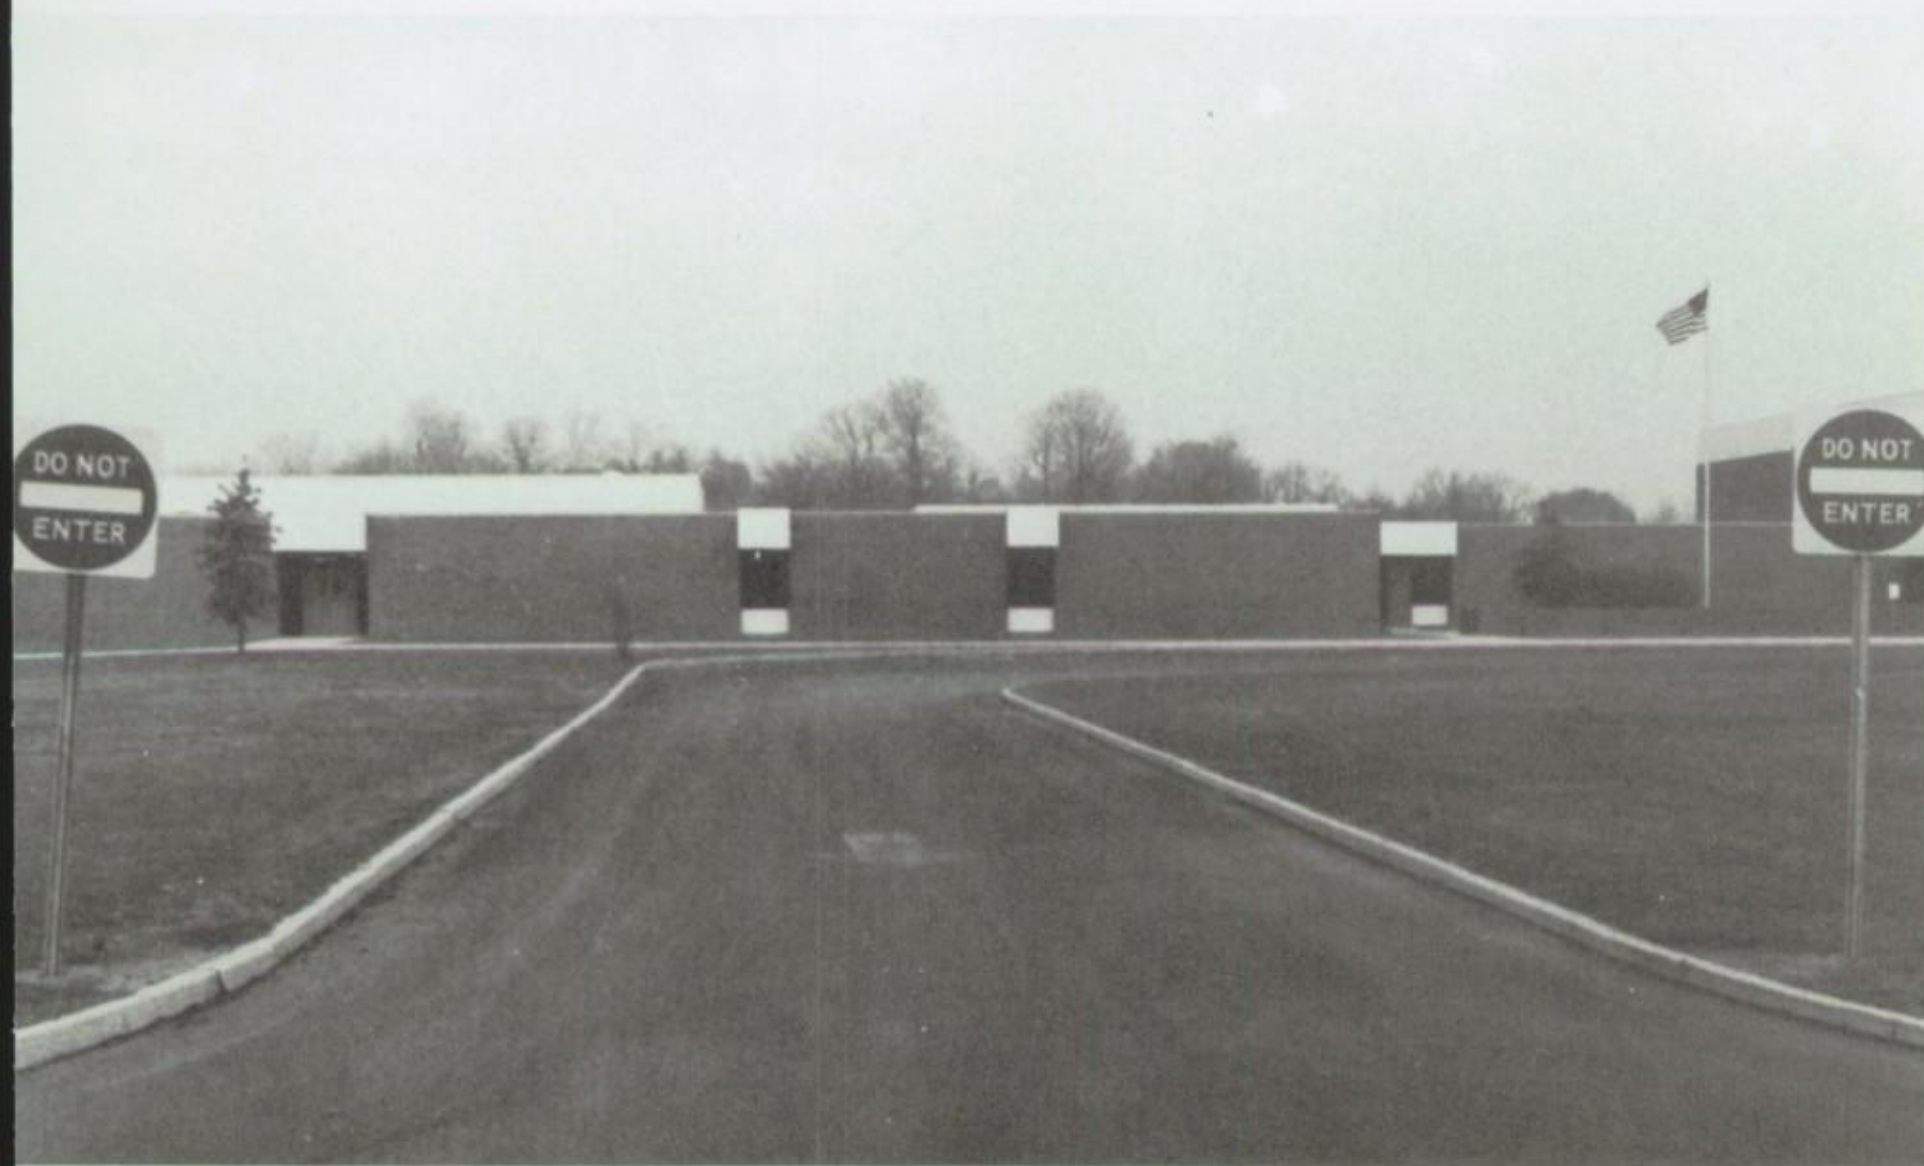

Hoosier Girls' and Boys' State is a fun learning experience about government procedures. Each person had the opportunity to actually participate in government positions. Girls' and Boys' State are held for one week on the Indiana State University Campus and is sponsored by the American Legion and American Legion Auxillary.

WARNING!

**OUR PRIDE IS
GROWING IN . . .**

Pride is growing in our school. Students have taken on a new attitude toward the faculty, studies, sports, clubs, and bands. School spirit has reached a new high. This can be seen in such activities as the class competition during the homecoming, in which the freshman won. All in all students seem more cooperative and have more pride in our school. Let's continue to let this pride grow.

... THE STUDENTS

If You Think You Can

If you think you are beaten, you are,
If you think that you dare not, you don't,
If you'd like to win, but you think you can't,
It's almost certain you won't.

If you think you'll lose, you've lost,
For out in the world you'll find,
Success begins with a fellows will,
It's all in the state of mind.

If you think you are outclassed, you are,
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But soon or late the man who wins
Is the man who thinks he can.

**OUR PRIDE IS
GROWING IN . . .**

Our pride is growing in academics. Contributing to this pride is our faculty. We have teachers that are understanding, yet challenge us to learn by bringing out the best in the growing students. The variety of courses offered allows a student to have a well-rounded, educational background and concentrate on subjects that he is interested in toward his goals in life.

Your eyesight is one of your most valuable natural resources. At least 80% of all your learning and earning comes through vision.

At home or school, at the office, factory or bowling alley you need functional, useful vision to accomplish the many tasks you require daily of your eyes.

Next to life itself, God's greatest gift to man is vision and to the service of that vision your Optometrist sincerely and faithfully dedicates himself.

The Value Of a Smile

A smile costs nothing, but gives much. It reaches those who receive without making poorer those who give. It takes but a moment, but the memory sometimes lasts a lifetime. A smile creates happiness in the home, fosters goodwill in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, and is nature's antidote for trouble. Yet, it cannot be bought, begged, borrowed or stolen, for it is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.
